RULES AND GUIDELINES

1. All cookies must be homemade. If using someone else’s recipe, please cite the complete source (ex. SOURCE: Mrs. Field’s Chocolate Chip Cookie Recipe)

2. Choose your style. You can choose to bake any style of cookie (drop, bar, etc.) as long as flour (any type of flour) is used and it is baked (no-bake cookies will not be accepted).

3. Bake 24 + 3. You will need 3 perfect cookies for the judges. These should be on a separate plate – (remember that presentation counts!) and covered with clear wrap until judging. You will also need 24 cookies (each cut into 4 tasting pieces) or 96 mini cookies for the People’s Choice tasting. These should be on a separate tray and covered with clear wrap until tasting. Bring all your cookies to the Student Community Center, Multi-Purpose Room starting at 11:00 AM but no later than 11:25 AM. Cookies checked-in after 11:25 AM will be disqualified from the bake-off.

4. Register Your Cookie and Ingredients. Space is limited to 40 bakers. Register online at http://goo.gl/forms/FPqZoiNfyg. You will need to provide your name, department, email and phone number. We will also need the name of your cookie and a complete list of your ingredients to display (for those with food allergies or intolerances). It will be a blind tasting so only the name of the cookie and the ingredients will be posted next to your display. Please register no later than Friday, December 11, 2015 at 5:00 PM. Failure to register may disqualify you from the bake-off.
