Staff Voice

Staff Voice, the publication of the UC Davis Staff Assembly, aims to keep staff informed of staff related initiatives, news, and events. The Staff Voice, published twice a month during the academic year and throughout the summer continues to be a conduit for campus-wide information for staff. 21 issues of Staff Voice were sent in 2018-2019.

Each issue of Staff Voice includes a short poll question to collect staff perceptions and understanding on a variety topics. Responses help to guide Staff Assembly efforts in understanding and addressing staff needs, interests and accomplishments. Topics have included:

- Professional development goals
- Most rewarding professional development opportunity
- Advice and suggestions you would give to help new staff succeed
- Most concerning issue as staff member
- Most proud accomplishments at UC Davis
- Concerns about the transition to UC PATH
- Ways that staff have felt appreciated
- Favorite food truck on campus

Archived issues are available here: https://staff.ucdavis.edu/staff-voice/archives
**Monthly Meetings**

Every UC Davis staff person is a member of Staff Assembly! We encourage all staff to attend our General Meetings, which are held on the fourth Tuesday of every month. Staff Assembly and its committees offered opportunities to develop one’s skills and stay connected to the issues affecting the broader campus.

We learned that many staff members were not attending due to the extra time needed to travel to the main campus and find parking. The committee instituted Zoom as a part of regular meetings to include staff from all UC Davis locations unable to attend meeting in person. We have also moved the meeting each month to draw in new attendees that may have not attended in the past.

**Presentations**

To provide campus-wide information that affects all staff, we worked with various departments to provide information on their programs either through presentations, tabling at Staff Assembly events, or inclusion in the *Staff Voice* newsletter.

Presentations provided:

- UC PATH
- Campus Security
- Emergency Management
- Employee & Labor Relations
- Harassment & Bullying - HDAPP & Compliance
- Development & Employee Giving
**Breakfast with the Chancellor**

Monthly breakfast at the Chancellor’s residence provided 124 staff a chance to engage with the Chancellor, his wife and other campus leaders and discuss issues of importance to staff. Staff Assembly committee members recruited, managed invites and facilitated discussions at each breakfast.

**Dip-Off**

The Staff Assembly Dip-Off is an opportunity for UC Davis staff to gather, socialize, and compete in a friendly competition. The second annual Staff Assembly Dip-Off was held on Monday, January 28, 2019 at the Activities and Recreation Center. Six dips were entered and all attendees were able to participate in the tasting and voting. Awards were presented to Top 3 People’s Choice and Best Table Presentation. Recipes posted in the Staff Voice newsletter for staff to use at Superbowl parties and beyond.

**Tailgating Event**

Staff Assembly members organized a staff tailgate event at the Staff Appreciation UC Davis Football Game on September 8, 2018. Staff Assembly provided free hotdogs, drinks, and snacks, gather information about staff assembly, and provide shade to many staff who stopped by. Seats were raffled off to spend a quarter of the following football game in the Chancellor’s Box with Chancellor May and his wife Leshelle, which was a great hit.

The CUCSA Kevin McCauley Memorial Outstanding Staff Award is designed to recognize staff members at the University who are supportive and inclusive of UC staff, and encourage equity, diversity, and community, are forward thinking, and do not compromise quality. UC Davis Staff Assemblies nominated Lina Layiktez for her long record of service that demonstrates her commitment to supporting staff at UC Davis and throughout the UC system. Lina has held several positions with UC Davis Staff Assembly over the last ten years. Lina tirelessly advocated for the needs of staff at UC Davis. Lina’s service has gone beyond UC Davis through her involvement with CUCSA. Her commitment was clear to us when she served as delegate for UC Davis and subsequently when she served as Chair for CUCSA. At the March quarterly meeting, CUCSA voted to honor Lina as a recipient of the Kevin McCauley Memorial Outstanding Staff Award.
Internal Operations

Bylaw Update

Members reviewed and updated the Staff Assembly Bylaws. We updated the Membership Chair title to Member Outreach and Engagement Chair to encompass the duties of this position. Changes were made to the Staff Assembly Staff Coordinator position to align this position as a resource to the Staff Assembly members. Finally, we outlined areas of overlap between the executive positions to encourage a better flow of operations and information.

Membership Survey

This year, one goal for Staff Assembly was to encourage involvement and deliver events and opportunities based on the needs and interests of staff. Staff Assembly included a short involvement interest form in Staff Voice to understand these needs and interests of staff as it relates to Staff Assembly. 248 staff members completed the survey. These responses helped Staff Assembly connect with staff in different ways. Most staff indicated opportunities that required low levels of time and commitment. Responses allowed Staff Assembly to plan and provide meaningful engagement opportunities for staff interested in being involved with Staff Assembly.

Satisfaction Survey

Staff Assembly participated as a new service line this year in the Satisfaction Survey conducted by Finance, Operations and Administration. The survey results helped Staff Assembly to understand strengths of the organization and areas of opportunity to better serve and support staff.
