

The background of the slide is a collage of images related to UC Davis. On the right side, there is a large, close-up image of a dog's face, likely a Golden Retriever, with its mouth open and tongue out, smiling. On the left side, there is a smaller image of a person running on a path in a park-like setting with trees and a building in the background. The entire background has a blue and purple color overlay.

What is Campus Ready?

Campus Ready is a comprehensive plan to prepare our campus for the gradual return of research, operations, instruction and other activities in a way that limits the spread of COVID-19.

- <https://campusready.ucdavis.edu>, is the location for the information and resources that will help our community charter this territory.
- It is a dynamic plan that will continue to evolve.
