Q&A

- Q: Following the 2020 plan, how close are we to the 18% cap on out of state students? Does that cap consider out of state students ability to pay in-state after 3 years?
- A: When the campus makes a decision to start or end a program, does anyone do an impact evaluation? We find that more and more tasks are landing on the Academic Units and we have

insufficient staffing to support these tasks. The activities required by the new Unit 18 contract is the newest, most burdensome example.

- Q: What is the 2022-2023 salary plan Sarah referenced?
- A: Typically in recent years the pool for increases has been 3% for non-represented staff
